2019 Chairman Letter October 2019

Yetta Hey!

I heard that camp weekend was nice could not have asked for better weather. There was boating, tubing, fishing, canoeing, swimming, hot tubbing, hiking, and bonfires.

This weekend we will be in Buffalo, New York enjoying the festivities of the Buffalo Navel Museum. I am going to make a point to stop at the Anchor Bar to enjoy some wings before the drive home. After the Buffalo event is the Haunted House event. We plan to head to Hauntville in Elyria, just 20 mins west of Cleveland.

In November is Laser Tag (November 8th) and Date with Dad (November 17th). Hopefully everyone that was planning to go to Kalahari has booked their room – deadline is November 1st.

Lillian and Jason Greene

- All cardboard must be covered with duct tape. No exposed cardboard inside or outside of boat. Exposed cardboard will result in not being able to race (this is a cleanliness/safety issue).
- All participants are required to remove the remains of their boat from the premises immediately after their race. Boats are not to be left in the water to see how long they will float. The boats must be thrown away appropriately, there are potential fines/fees if cardboard boats remain. **Do not leave your boat for someone else to throw in the dumpster.**
- Participants who have been disqualified are to remove their boats from the water immediately upon being notified of disqualification.

Participants are to **hand paddle only** down to the other end of the pool, and touch the side of the pool. Only one person needs to touch the side of the pool. The race is not finished until the participant touches the other side of the pool, a boat touching the side of the pool is not considered finishing. Participants must remain in their boat the entire time they are moving forward, if a participant falls out of the boat the boat may not advance until they are back in.

Participants are not allowed to travel down the side of the pool using the edge of the pool or lane dividers to propel the boat. Using the edge of the pool or lane dividers to propel the boat will result in disqualification.
